Dear Fashion for Fighters Foundation,

The Red Cross Services to the Armed Forces programs are a cornerstone of who we are and what we do at the American Red Cross. We have supported the military and their families for more than a century, from the Civil War to today's deployments in Afghanistan.

As more wounded service members come home from the battlefield, thousands of Red Cross volunteers give their time every day to support them in military and veterans' hospitals. These volunteers may perform many different types of services – working the reception desk, taking patients to their appointments, assisting with recovery therapy or visiting with a wounded service member or veteran offering a friendly shoulder to lean on. These men and women deserve the best and American Red Cross volunteers are there to fulfill that mission.

We thank you for your support through donations; our office runs on the kindness and compassion of generous people like yourself. Enclosed you will find a receipt for your donation. If you have any questions please do not hesitate to call the office. Thank you for your continued patriotism and support for this Nation's military, veterans, and their families.

Sincerely,
